GSSA™
GRAIN
STORAGE SYSTEMS AUSTRALIA

Benefits of the Fieldpak™ Premium Grain Bag

- Quality Certification Standards ISO 9001.
- The Bags are made of a seamless, triple-layer of polyethylene with the outside layer UV stabilised.
- Bags are manufactured specifically for the storage of grain.
- Proven reliability on the world market for its durability.
- Distributed to many countries throughout the world.
- Over 12 million tonnes of grain stored in the bag annually.

Bag sizes:

- 2.70 m x 60 m to hold 180 – 200 tonnes of grain.
- 2.70 m x 75 m to hold 230 – 250 tonnes of grain.
- 2.70 m x 90 m to hold 280 – 300 tonnes of grain.
